		Email	bruno.de-menna@ut-capitole.fr

Personal Profile

My research focuses primarily on bank risk-taking, financial stability and micro/macro-prudential policy in the euro area. I also dedicate part of my work to understand how cooperative banks differentiate from others in a field where herding behavior has become a general trend.

Education

- 2016-Now** Ph.D Fellow in Economics – University of Toulouse, France
Doctoral thesis: *Bank Risk-Taking and Macroprudential Policy in the Post-2008 Euro Area*
Supervisors:
Olivier Brossard – Full Professor of Economics
Alexandre Minda – Associate Professor of Economics
- 2012** Master’s Degree in Economics – Catholic University of Louvain, Belgium
Graduated with “First Class Honours”
- 2010** Bachelor’s Degree in Economics & Management – HEC – University of Liège, Belgium
Graduated with “Honours”
