- Excellent verbal and written communication skills.
- Ability to work effectively in team environments.
- Adaptability and willingness to learn new concepts and technologies.

ABOUT ME

Eager to embark on a rewarding career path, I am actively seeking opportunities to apply my skills and knowledge in an academic setting. Committed to continuous learning and personal growth, I am enthusiastic about reality, the study of current economic events, their effects and repercussions on the public sector, governmental management, the resulting policies from their measures and regional economics.
